How it works: Visit each of the nine participating businesses to receive a minimum one stamp per page. Each business is offering 1-4 promotions per page. Passport Holders may use each discount one time, however only one stamp per page is needed to complete and be eligible for the end of the winter season drawing. The grand drawing for all who turn in completed passports will be held at PACRAT's Rat Attack, on April 17th. Passport Holders do not need to be present to win. Contact Barb Presentin prior to April 17 to turn in the completed Mt Hood Passport and be entered into the end of the season drawing with over \$500 worth of prizes.

For more information, to participate next year, or obtain more passports while supplies last, contact Barb Presentin at BP2Ski@Gmail.com or at 503/267-9522 phone/text.

Make the most of your Mt Hood experience and enjoy the local businesses and their offers this winter season!
