

Jeanne's Outdoor Concert List – 2014

In collaboration with Jacquelyn Lane

Updated 7/15/14

The concert list is a little late this year as I was busy kicking off the season at the Waterfront Blues Festival. As always, our local musicians stole the show. No worries if you missed the Blues Fest. Get out to your parks this summer to enjoy our local talent in music and theatre. Most of the events listed below are FREE and LOCAL, but there are a couple of low-fee, high-value events. And, this year we drifted across the River to Esther Short in Vancouver and gave a nod to a winery in Richland that is sponsoring some shows this summer. Road trip north?
