## From the Prez

*Mt. High*

Hi Everyone;

We are coming up on our **May party and Elections Night**. This year we will be at the **Lucky Lab** in Multnomah Village. I hope you all will be able to make it.

We are seeking a couple **new officers** going into the 2019-2020 season. If you've always wanted to be part of the Board of Directors, making plans and decisions for Mountain High, now is your chance. Debbie Geiger has chosen to step away as our Secretary, to do other things. And, after four years, I have also decided to step aside as your President.

I have so many things on my plate right now, as **VP of Marketing** for Far West Ski Association, as well as **Convention Chairperson**, I find myself being pulled in many different directions. It's time for a Facelift for our club. I have so enjoyed being your Leader for these past four years. It's been a great gig! I have had a wonderful Board of Directors to work with. Everyone knows their job, and does it very well. Thank you all for what you do for this awesome club!

If you are interested in running for one of these positions, please let me know, or you can reach out to ANY of our Board members.

*Debbi*

**Fresh tracks. Nobody ever skis here!**

## Let's Ski till the end of May

**Mid-week skiers** communicate in our [Mid-Week Forum](http://www.mthigh.org/Trips.htm#Mid-week_day-trips) and mostly ski at **Meadows**, find us in the cafeteria in the South lodge near the Schuss restaurant around **8:00-8:30 a.m.** See more in our Mid-week day trips at: [http://www.mthigh.org/Trips.htm#Mid-week\\_day-trips](http://www.mthigh.org/Trips.htm#Mid-week_day-trips).

**Weekend skiers** mostly communicate in the ["All Club" Forum](http://www.mthigh.org/Trips.htm#Weekend_day-trips) and on our club's Facebook page. They ski mostly at **Timberline**. Meet at the rear exit of the day lodge, by the free ski check around **9:05 am**. We usually wait until the Mt. Hood Express bus arrives. See more about our weekend day trips at: [http://www.mthigh.org/Trips.htm#Weekend\\_day-trips](http://www.mthigh.org/Trips.htm#Weekend_day-trips).

**There is a world only skiers know**

## Mt. Shasta & Mt. Ashland Trip

**March 15 - 17, 2019. (Friday - Sunday).** This weekend bus trip is a good example of how a trip can suffer

Rich Horner, Steven Rice, and Kay Kinyon at Mt. Ashland,

when people take too long to sign up. We needed well over 30 people to sign up in order to be able to afford hiring a bus. But only 16 people signed up in time. Since we couldn't afford the bus, we converted this to a carpooling trip. At that point, 12 people canceled. But 4 of us carpooled and had a great time, with perfectly sunny and warm weather.

Mt. Shasta had received several feet of snow just 2 weeks earlier and had to close for a couple of days to dig out the chairlifts. It was now fully open with great conditions.

At the end of the day, we enjoyed live music on a terrace just outside the day lodge, and Steven Rice even got to dance with an eager young lady! It was warm and Kay skied in just a flannel shirt and jeans!

Mt. Ashland is at a higher elevation and had even better snow. Fantastic views from the top of Mt. Ashland included Mt. McLaughlin to the east and Mt. Shasta to the south. See more on the PHOTOS page on our website.

## Bachelor Blast

**April 5 - 7, 2019. (Friday - Sunday).** There were 34 people on the trip. **Linda McGavin** says:

Clary and Kay

We skied with Kay and Stevie on Friday; Ron and Tom came out later; Clary and Lisa Miller skied as well and we met up at lunch.

We got pretty damp on Friday, when it was snowing at the top and raining at the bottom of Outback. We went to Outback because the east side of the mountain was quite foggy, and the wind direction was right for Outback. There was about an inch of new on top of an icy base. People who stayed on the east side complained about low visibility.

Saturday was better, with more new snow overnight (3+ inches), so we got in some powder skiing - we went over to the east side of the mountain because Pine Marten was closed for wind most of the day - as well as Outback and Northwest. It was pretty windy on top of the chairs, but visibility wasn't bad. People still ended up with wet clothing.

The party Saturday night went extremely well, with some people lingering until 9:00 enjoying each other's company. The hotel was great, and the breakfast room worked well for the party. Breakfasts were very good.

But the weather took a huge turn for the worse overnight Saturday, and that morning Bachelor's report said it was a WET winter storm with winds projected to shut down the lifts again. It was raining all over the area, meaning we couldn't even hike, so we elected to come

home a day early, forfeiting one night's lodging and our 3rd day of lift tickets.

Some people went skiing Sunday; some didn't use their second day of lifts. Some others elected to save their lift tickets and come back another time before the end of the season.

**Lisa Miller** says: "Had a great time! Skied in the most intense storm ever at the top of Pine Marten just before they closed that lift. We enjoyed 1st Friday with a "Lyft" ride that looked like the cash cab, with starry lights inside. Bend brewing was very enjoyable...nice atmosphere, good beer, good company."

**Diane Zhitlovsky** says: "Mike and I truly had a blast. The snow was wet but plentiful. On Sunday, it snowed a ton, Mike and I skied in knee deep virgin powder on the Cloud Chaser. We were two of about ten people skiing. It was awesome. We were the wettest we've ever been."

## Skiing at Timberline

A group of our club members have been skiing at Timberline quite regularly, mostly on Saturdays, but also on an occasional Sunday or even mid-week day.

On March 30, 2019, a group of 10 of us gathered to ski together, the largest group so far this year. But after a half dozen runs or so, we split up into 3 smaller groups.

On several Saturdays, we also made brief excursions into the side-country, out-of-bounds, such as a run down Alpine trail to Government Camp, another down the Glade Trail, and another into Little Zig Zag canyon.

Emilio will gladly give you a tour any Saturday till the end of May. Meet by 9:05 am at the free ski check.

## Local Wildlife

In recent weeks we have had the pleasure of seeing several specimens of local wildlife on Mt. Hood. A grouse crossed the Kruser trail (just walking) and then stood there watching the skiers go by. According to Lisa Miller, his name is Gary and he likes organic granola. Another grouse was spotted deeper in the forest west of Timberline. We don't know if this was Gary too. And on several occasions, usually in the Spring, we have spotted a marmot peeking out of its den just a tad west of the Magic Mile lift. Also, an occasional ferret or weasel can be spotted, but they are so fast they are hard to photograph.

### Mt. Hood Express Expands Service

As of April 1, 2019, the Mt. Hood Express bus service between Sandy, Skibowl and Timberline has expanded by adding one more bus run around **noon**, to fill

a gap where there were no buses between 10 am and 2 pm.

The new line starts from Sandy at 11:15 am,

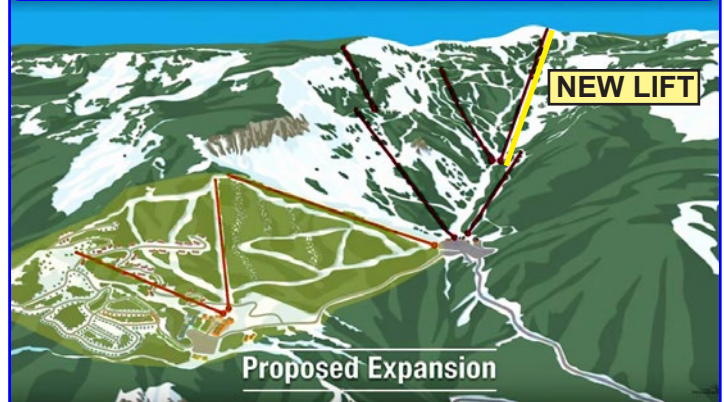

- stops at Skibowl at 12:02,
- stops at Collins Lake Resort, Govt. Camp at 12:10,
- arrives at Timberline at: 12:30 pm.

Then it starts its return trip at 12:45, arriving back in Sandy at 1:55 pm.

So, anyone who wants to ski down to Government Camp in the middle of the day, just make sure you get to Govy before 12:10 pm.

The new schedule will be in force all summer too. See it at: <https://www.mthoodexpress.com/schedule-map>

### Mission Ridge Gets New Lift

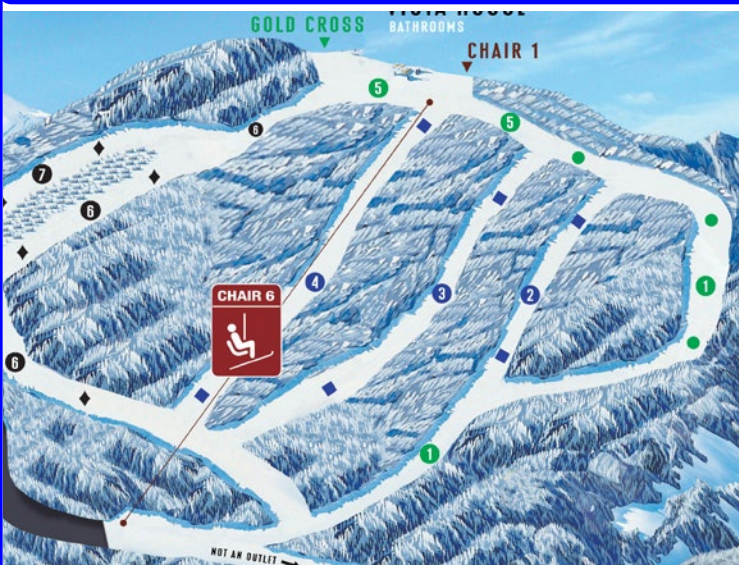

Mission Ridge is replacing its chair #2, also known as The Liberator chair, with a brand new Doppelmayr high-speed, detachable quad chairlift with bubbles. The new lift will be more dependable than the old one and will better withstand bad weather and wind. It will be installed in time for the 2019/20 season.

Also new for the coming season is that Mission Ridge will operate every day of the week from December to the end of February. In March, it will switch to mostly weekends.

Plans for terrain expansion will take longer.

### Mt. Spokane Opened New Back Side

Mt. Spokane now has a new back side, with 7 new trails served by a new chair #6. This is in addition to the older back side, which now feels more like the side-side and is served by chair #4.

The new back side is behind the Vista House, which stands at the top of the mountain. To get to it, you need to take chair #1 to the top.

### Mt. Hood Meadows New Building

The Sahale project is a new 23,500-square foot building that will allow Meadows to expand its dining options and revamp the learning and rental centers. The project will also create a new overflow parking lot with 250 additional spaces.

To help fund the project, Meadows is offering 1,250 Sahale Gold Memberships: a five-year season pass with exclusive privileges and benefits. These memberships have been on sale since April 1, 2019.
