No. 247 July 2021

Mountain High Snowsport Club, PO Box 2182, Portland, OR 97208

### **Editorial**

Help Mt. Hood Meadows upgrade its Mt. Hood Express quad to a 6-pack. Write a letter (paper or online) to the Forest Service. See page 5. Do it before 7/12/21.

Summer Activities: We are planning to have one hike, one bike ride, and one social event per month during the summer. And also some other activities too from time to time, like our regular annual highway cleanup. See page 2.

Next Winter: Our big trip next winter will be to Whitefish Mountain, Montana. We did this in February 2020. Let's do it again in March 2022. See page 7. Those driving to Whitefish could leave a day or two earlier, stop in Missoula, Montana and ski at Lost Trail for a day. It's on the Indy Pass

Where else might you ski next winter? Check out the **comparison chart** of season passes on pages 9 and 10. Note the recent changes to the Indy Pass.

Elections and Club Officers. We need to hold an election for our President, and **VP of Membership**. If YOU, or someone you know, is interested in being a part of the Mt. High Board, ie. the the Decision Making End of this club, please let us know. Contact any of the current officers. See page 11.

**SKI TRIPS:** Due to Covid, it is still not safe to pack a bus full of people for several hours, so we are not planning any bus trips yet. So, where else other than Whitefish could we go next winter? Maybe drive to one of the ski areas on the Indy Pass? Or part of the Powder Alliance? Or both? For example, White Pass is on both passes. Shall we drive up there for a day or for a weekend - with lodging in the town of Packwood?

JAPAN: Interested in a weeklong ski trip to Japan? See page 8.

# TGIF - Happy Hour - A word from Debbi Kor

### **June 17 (Thur.).** 5 pm.

In an effort to get some of our club members together for a night out, we had a wonderful Happy Hour on June 17th at Oswego Grill in Lake Oswego. A beautiful evening to sit outside, sip some adult beverages and gather with good friends. We had 14 people turn out for our first Happy Hour of the season. What a great way to re-introduce the first of many "social hours".

Come to the next one, Thursday, July 15, starting at 4 pm at The Ram, in Wilsonville.

# Trillium Lake bike ride

### June 20, 2021. (Saturday)

A very pleasant bike ride. We covered about 12 miles and had a picnic at the amphitheater by the lake, where we watched some bald eagles fishing.

We expected 10 people, but 2 cancelled so only 8 of us participated in this ride.

On the way back from the lake to Government Camp, we followed a mountain bike trail that we've never done before as a group. It was a pleasant trail, and we determined that it's easier to follow it from the lake northward rather than toward the lake (southward).

Overall, everyone was pleased with this ride.

Don't miss the next one on July 24, on the Burnt Bridge Creek Trail.

More pictures on the PHOTOS page on our website.

# **Highway Cleanup**

**Kay.** (Photo by Violet)

June 26 (Sat.). 10 am - Noon.

Only 4 people showed up this time. Violet found some money again! Lucky one!

Mt. High Snowsport Club is in need of a few more volunteers to help out with the twice-yearly Highway Clean-up. For new members who are not aware of this activity.... typically in June and October, one Saturday morning is set aside for our members to assist in cleaning up a 2-mile stretch of Highway 26, on Mt. Hood, from Mirror Lake to the lower end of Government Camp.

We need around 8 people to assist with this activity, and for your efforts, Mt. High will buy your lunch. Next Clean Up day will be in October or November. Please contact **Debbi Kor** to volunteer: **ijustwannarun1**@

## **Bicycle Ride - Burnt Bridge Creek Greenway**

July 24 (Saturday).\_2:30 - 5:30 pm

Would you believe that there is a fantastic greenway belt with a paved bike trail in the heart of Vancouver, WA?! You've gotta see it! Harry & Lisa will lead us.

Develop a healthy appetite before the BBQ at Debbi's? Join us on this bike ride! After the ride, we'll head straight for the BBQ.

The trail is about 8 miles long in one direction, or 16 miles there and back. It passes through several parks and connects a variety of trails

We'll start the ride from **Meadows Home Park**, part of the way into the trail, and then we'll ride both West from there (5.2 miles one way) and ride East (2.6 miles one way). There is a public bathroom on the trail about half a mile east of our starting point. Also, there is a bathroom at the west end of the trail, and one more somewhere in between.

MEET at 2:15 pm at the Meadows Home Park on East 18th and General Anderson Ave. There is a parking lot just for access to the trail and its access is from General Anderson Ave.

2:30 pm: We'll start the bike ride. We'll ride both east and the west of the starting point.

**5:30 pm:** End of the bike ride. We'll return to the starting point, with about 30 minutes left to put away our bikes and to drive over to Debbi's for the BBQ. (See next announcement below.)

Please **RSVP** if you are coming to the bike ride. Contact **Lisa Scribner**, **lscribner98@yahoo.com**.

Also **RSVP** separately to **Debbi** for the BBQ at: <u>ijustwannarun1@comcast.net</u> or (503) 314-7078.

# BBQ at Debbi's

**July 24 (Saturday).** Social gathering at Debbi's place. Starting at 6 pm.

This will be a combination of a backyard BBQ, with hints of a Seafood party, because salmon will be served, and also elements of our picnic because we'll also have susages on the grill as well as a bike ride preceding it.

Debbi is treating us to all the grilled items. We are her guests. No payment is involved. But you can bring a **side dish** or **dessert**, and **BYOB**.

**Location**: Debbi Kor, 8513 NE 149th Avenue, Vancouver WA 98662. See Google map.

To develop a healthy appetite for this, join some of us in a bike ride along the Burnt Bridge Creek trail, a hidden beauty in Vancouver. We'll gather around 2:15 pm and start the bike ride at 2:30 pm. See above.

Please RSVP to **Debbi Kor** at <u>ijustwannarun1@comcast.net</u> or (503) 314-7078.

# **Hiking - Salmon River West**

**July 30 (Friday).** Salmon River West hike. 9 am A moderate 7.8 miles round trip to the first view point and back. Elevation gain = 950 feet.

The trail is out and back (not a loop) thru dense rain forest. The entire trip is about 4 hours.

The trail follows Salmon River through old growth rainforest, then climbs to a great viewpoint of the vast Salmon River canyon. We'll have a picnic lunch there.

Parking at the trailhead requires either a NW Forest

pass or an Interagency pass. like the America the Beautiful pass.

MEET at 9 am in the parking lot of the Zig Zag Ranger Station. It will be on your right off of highway 26 immediately after Zig Zag Inn in Zig Zag, which comes right after Welches.

NOTE: Parking is limited at the trailhead. That's why we are meeting in Zig Zag first. The trailhead is about 3 miles down Salmon River Rd from Subway. 9 am is a great meeting time as this can be a popular hike so we should meet early to avoid the crowds.

Bring food and water.

After the hike, we can do an informal social at Michele's house just 3 miles away, unless people want to go to a restaurant. Pinecone bluff at the Mallards cafe (Mt Hood Oregon Resort) is nice.

Please RSVP to Michele <u>michelegunness236@gmail.com</u> or Sally, <u>sallyrally@gmail.com</u>, 503-505-4627.

# Mt. Hood Meadows Mt. Hood Express Planned Upgrade to 6-pack

Can you help with this project? Write to the Forest Service in support of this.

The Mt. Hood National Forest (MHNF) is soliciting comments on a proposal at Mt. Hood Meadows (MHM) to replace the existing Mt. Hood Express chairlift within the existing Special Use Permit.

The existing Mt. Hood Express chairlift is a four-person detachable chairlift that was installed in 1994 and is approaching the end of its operational life. To replace this aging infrastructure and increase the uphill transport capacity of the chairlift, the new Mt. Hood Express would be installed as a six-person detachable chairlift. The increase of uphill and out of base transport capacity by approximately 1,000 people per hour (from the current capacity of approximately 2,600 people per hour to 3,600 people per hour). The 6-passenger lift would be installed in the same location as the existing lift.

If approved, replacing the lift towers will begin at the end of May 2022, and done by the end of the year. If you write in point out the need to relieve long lift lines. Also, that there is not much environmental impact.

**Public comments are requested by July 12, 2021.** Comments may be submitted online at: <a href="https://cara.ecosystem-management.org/Public//CommentInput?Project=60090">https://cara.ecosystem-management.org/Public//CommentInput?Project=60090</a>. Written comments may be submitted to the Hood River Ranger District, ATTN: Mt. Hood Express Chairlift Replacement Project, at 6780 Highway 35, Parkdale, OR 97041.

### Mt. Hood Meadows

# **New Hiking Trails**

Mt. Hood Meadows has just launched summer scenic chairlift and hiking operations with 8.5 miles of newly-constructed hiking trails from the base area. The trail system connects the base area to woodland trails through meadows of wildflowers to magnificent overlooks and waterfall hikes.

The popular Umbrella Falls, Sahalie Falls, Elk Meadows and Timberline trails all pass through the Meadows permit area and are now easily accessed from the new trails built last summer. Resort VP of Marketing and Sales Dave Tragethon says, "We're blessed with a cornucopia of nature and these new trails provide a more personal connection with the mountain environment."

In addition to the interconnections, Meadows also built a trail through scenic Jack's Woods — a popular ski/snowboard run in Heather Canyon — and a spur to Picnic Rock, which Tragethon lauds as "one of the most magnificent overlooks on our mountain."

To provide additional context to hikers about the the natural areas they're enjoying, Meadows is installing a number of large-format interpretive trail signs that will provide information and storytelling on the history of Mt. Hood and Meadows, the resort's important relationship with the Confederated Tribes of Warm Springs, glaciology, volcanology, flora and fauna found in the resort's permit area and more. "It truly is the premier chairlift-served high-altitude hiking experience on Mt. Hood" - said Dave Tragethon.

Days & Hours: June 25 - Sept. 6, Thur. & Fri.: 10am - 5 pm; Sat. & Sun.: 10am - 7 pm; Mon. 10am - 5 pm.

### Whitefish Mtn. Resort Trip

March 13 - 20, 2022. 4, 5, or 7 days - by train, car, or plane.

Whitefish Mountain Resort offers 3000 acres of skiing on all sides of Big Mountain. It has 11 chair lifts (3 express quads). It has 2,353 vertical feet and 105 named runs plus vast amounts of bowl and tree skiing. Twelve percent of the terrain is rated green, 38% blue, 44% black and 6% double black.

This will be a flexible, arrange your own transportation trip. Amtrak runs

overnight from Portland or Vancouver to Whitefish and return. Current prices start as low as \$79 per person each way reserved coach. There are a limited number of sleeper berths available. If you prefer to drive, it is a ten-hour drive, and you can stop to ski at other places along the way.

We will be staying at the **Kandahar Lodge**, a very nice on-mountain hotel with a Swiss or Austrian feel. The lobby/great room has a huge fireplace, an award-winning restaurant open only for dinner, and a small separate bar. There is no elevator. All the rooms are on the 2nd and 3rd floors.

It has a free van that will take you where you want to go on the mountain (not into town, there's a free public snow bus for that). The van only runs during the day. At night it's less than a five-minute walk to the bars and restaurants in the upper village, or to catch the snow bus into town.

You can ski-in but would have to walk 50 yards across a parking lot to ski out to a lift. Or take the free van.

### For those traveling by train:

- \* You will spend 2 nights on the train. The first and the last. You can sleep in the reclining seats, but it is highly recommended to ask for a sleeper car.
- \* The train leaves Portland at 4:45 pm the day before and travels through the night. You need to reserve a ticket for March 12.
- \* Train arrives in Whitefish early in the morning (at 7:41 am), and you can go skiing right away, after leaving your luggage in Kandahar lodge.
- \* The train leaves Whitefish late in the evening, at 8:56 pm. You can ski all day and still have time for dinner in town before boarding the train home.

#### **Price includes:**

Free European-style continental breakfast, après ski cookies, freshly made popcorn, hot chocolate, coffee, and tea. Heated boot rooms and ski rooms. Free Wi-Fi, laundry, 24-hour front desk, large outdoor jacuzzi, steam room, and fitness center. Massages are available by appointment. All rooms have at least a small refrigerator and microwave. Some rooms have small kitchens; those will be assigned on a first-come first-served basis.

We have reserved all rooms for 7 nights from March 13 - 20, 2022, but we will also be able to offer either 4- or 5-night stays.

Because we will receive the 7th night comped, 6-night pricing will be the same as 7-night. To make things manageable & simplify matching of roommates, All 4-night and 5-night stays must begin on March 13.

We will do our best to match you with a roommate who wants the same nights as you, but you are ultimately responsible for finding a roommate who wants the same nights as you to fill your room.

#### **Pricing**

Lodging (2 people per room) \$420/person for 6 or 7 nights (we get the 7th night free) \$350 for 5 nights

\$280 for 4 nights.

For fewer than 6 nights, everyone in the room would need to have the same arrival and departure dates.

#### **Lift Tickets**

### Season Passes

SNOWSPORT CLUB

# **Season Passes Comparison**

# Season Pass

Use the Comparison Chart we have compiled to figure out which pass is best for you. It depends on where you plan to ski.

It's a challenge to put this chart together because prices change the longer you wait, while many ski areas will not reveal their prices until late in the Fall.

Some prices have already gone up, such as the IKON pass. Most prices will go up in November, after November 7.

The Comparison Chart is published on our website, on the ARTICLES page, where we keep some articles of more permanent value. See this chart at: <a href="http://www.mthigh.org/Articles/Season-Passes-Comparsion.pdf">http://www.mthigh.org/Articles/Season-Passes-Comparsion.pdf</a>

Note that the long list of ski areas in the comparison chart is updated each year, and new ski areas get added. The number of ski areas in some cases has grown larger than what will fit in the limited amount of space. So, for the most accurate and up-to-date list, check the corresponding website.

A ski area may be included in more than one pass. If you know which ski areas you might visit next season, do a search for those in the chart. On a computer, click the **Ctrl+F** keys (or **Cmd+F** on Apple computers). On a smartphone or tablet, chose the option to "Search on page".

### **General Info**

**RENEWING A PASS.** In some cases, you can get a better price if you already had a certain pass the previous winter and are now just renewing it. Examples: Mt. Hood Meadows, IKON Pass, etc.

**NIGHT SKIING.** Note that in addition to the regular season passes, Mt. Hood Skibowl also offers a Night Skiing season pass for just \$189.

**SPRING PASSES**. Note that **Meadows**, **Timberline**, **and Skibowl** will be offering **Spring Passes** valid for almost 3 months of skiing in March, April and May, for about \$139 - \$160. Information about these passes will not be available until some time late in February.

**VARIETY.** For maximum variety, consider the possibility of combining several different passes, such as:

• Buy a season pass to one ski area, and then at the beginning of March, buy a Spring Pass to one of the others.

### **Some Specifics**

**IKON PASS.** Mt. Bachelor is now part of the IKON Pass. Lower prices offered before June 17 and will be higher after that. This pass is centered around Aspen/Snowmass and all the ski areas owned by or related to them.

**EPIC PASS.** This pass is centered around Vail Resorts and all the ski areas owned by them. Note that there is an option to purchase an Epic Lake Tahoe pass that includes just Heavenly, Northstar, and Kirkwood.

**INDY PASS.** The Independent ski areas pass has grown to 68 ski areas. You get 2 free days at each. The latest additions among western ski areas are: Powder Mt. (Utah), Eagle Point (UT) and Mt. Ashland (Oregon). If you already have a season pass to any Indy ski area, you can save about \$90 by purchasing the Add-on Indy pass instead of the full pass.

**POWDER ALLIANCE.** The Powder Alliance is somewhat similar to the Indy Pass in that it also includes mainly independently owned ski areas, but it also includes unlimited skiing at your home mountain. For Oregonians, that means unlimited skiing at Timberline and Skibowl (with the Fusion Pass) plus 3 days at each of the other 17 ski areas. Note that there is no pass called the Powder Alliance Pass. Instead, your local season pass (the Fusion Pass) is simply valid at all the other Powder Alliance ski areas.

**LOVELAND PASS with POWDER ALLIANCE.** This pass gives you 3 free days at all the Powder Alliance ski areas **plus** another 18 ski areas on top of that! This includes Powder Mt. (UT), Whitefish (MT), Schweitzer Mt. (ID), Purgatory (CO), Homewood (CA), and more. But you get only 3 days at Timberline and 3 at Skibowl.
