## MOUNTAIN HIGH SNOWSPORT CLUB

## Another Canadian Ski Safari -- with Emilio Trampuz

After a very successful Canadian ski safari in December, when 12 of us visited Sun Peaks, Silver Star, Big White and Apex, in the **Okanagan** valley, I felt drawn to explore the next valley over to the east. This is the **Columbia/Kootenai** valley (named for the two rivers that flow through it). Of the 4 ski areas: Kicking Horse, Panorama, Kimberley & Fernie, I skied the first 3.

I began on the north end, at the town of Golden and the Kicking Horse ski area. You can get there within less than 2 hours from Banff, or within about 4 hours from Kelowna. At the southern end, Kimberley is about 2.5 hours north of Sandpoint, ID.

*At the top of Kicking Horse, with a view of the Columbia river.*

The **Kicking Horse** ski area kicks butt! It's a challenging mountain with stunning views, and with 4,133 feet, the 2nd highest vertical in British Columbia, second only to Whistler/Blackcomb. A gondola takes you to the top in a single ride. You can easily accumulate over 8,000 vertical feet every hour! Another quad severs expert terrain on an adjacent upper ridge, and 2 more chairlifts serve beginner/intermediate terrain near the base. There are 3 bowls, lots of black diamond trails, lots of glades, moguls, etc. The Eagle's Eye restaurant, perched at 7,700 feet is Canada's most elevated dining.

A "Powder Express" bus will take you to Kicking Horse from Banff or Lake Louise. It costs just \$82 Canadian for round trip bus and lift ticket. Call 1-800-644-8888.

**Panorama** is an hour and a half further south, near the town of Inverness. It has some good terrain too, and some great views, but it turned out to be the iciest of the 3 areas visited. Many slopes were sheets of ice. Others were slick cement. Despite the views, and some open glades, many of the runs are hemmed in by thick trees, or rocks, or cliffs, so the skiing feels more confined. Also, you need 3 chairlifts to get to the top.

Personally, I was not happy here. Muddy parking lot, icy slopes, lots of "lodges" but no sign of which one is the day lodge. Also, I got the impression the area is somewhat pretentious. A "Deer Valley" of sorts. Not many places do you see people suntanning themselves on recliners instead of skiing.

*Panorama: Just hanging out! Parents own a condo here!*

*Kimberley: Great glades on the back side!*

**Kimberley** is an intermediate's paradise, with wonderful cruisers on the front of the mountain, but it also has lots of more advanced options on the back of the mountain. In some ways it is the reverse image of Kicking Horse, where the advanced terrain is more prominent and you have to search out the easier trails. At Kimberley, the easier trails are in your face, but you can also find plenty of advanced stuff if you can read a map.

Kimberley ski area is only 2 miles from the town of Kimberley, a Bavarian-style town which is very sleepy in the winter. Some restaurants and a train shuttle are open only in the summer. Big mistake! I couldn't get a German sausage in this "Bavarian" town. But a new-age vegetarian cafe and a Chinese restaurant were open. Fortunately, there is a Marriott hotel at the base.

*contd. on page 3*

contd. from page 2:

In conclusion, I would gladly return to Kicking Horse (for the views and the challenge). Also to Kimberley, where I left a lot of the back side still unexplored. All these areas can be part of a larger tour, including Lake Louise and Sunshine Village.

### Mt. High Mt. High sponsored Club race training Mt. High

#### April 9 (Saturday) Club sponsored race training !!!

Let's say you are **not** a PACRAT racer, but you'd like to try running some gates at least once in your lifetime, with no pressure. Here's your chance! **Gordy** will set up a race course at Meadows just for our club members to enjoy! So, give it a try!

Simply show up at Meadows, at 8:00 am, at the ticket office (glass house).

We will have a course set up just for our club. We can run it as many times as we want. We can challenge each other for a one-on-one race, ... or just challenge yourself.

#### PACRAT racers:

This training day will give you the boost you need. Improve your carving skill. Learn how to find the best path through the gates. Shave off that second that separates you from winning in your category!

Keep in mind that we will have a regular PACRAT race on Sunday, April 10, ... so you can use our club race training on Saturday as a warm up and practice event!

For info, contact **Gordon Lusk** at: 503-804-8363.

### "Spring Fling" cancelled

**April 9-10.** Last year, we had a very successful "Spring Fling" in April, where we stayed at Government Camp on Saturday night.

This year, due to lack of snow, and apparently insufficient interest in an overnight stay, the "Spring Fling" has been cancelled.

However, keep in mind that we are still planning to ski on both days. On **Saturday**, April 9, we will have an all-day club sponsored **race training**, where you will be able to run the practice course as many times as you like. You don't even have to pre-register. Just show up. We will assemble around 8:00 am at the Meadows ticket office (the octagonal glass house).

On **Sunday**, April 10, we will have a regular PACRAT race, to make up for one of the races that was cancelled earlier in the season.

So, the only thing that is being cancelled right now is the dinner and overnight stay.

Of course, if you wish to stay at Government Camp, keep in mind that you can get a bed at the **Cascade Lodge** for \$15 per person per night. The normal price is \$10 for Cascade club members and \$20 for guests, but the \$15 price was offered to all other club members affiliated with the NWSCC. So, be prepared to show your club membership card (the one that says NWSCC on one side).

Mt.High Big Mountain (train trip) Mt.High

Feb. 16-21, 2005. About 30 of us had a great time at Big Mountain. We were rewarded with a dusting of new snow on one day, and 3 sunny days with great views.

We discovered that synchronized skiing is not as easy as it looks! But it's more fun than human slalom, because it is more dynamic!

## Golden Rose race at Timberline

**June 4, 2005** (Saturday). Golden Rose Ski Classic, the longest continually run ski race in the world. Many past and future Olympic champions have participated in this traditional event! Teams of 8 skiers compete in dual giant slalom competition. A series of social events at the Lodge round out a perfect day of skiing and fund raising for the Northwest Snowsports Foundation. For details, or to register your team, contact **Camille Greenslade** at: [cgreenslade@timberlinelodge.com](mailto:cgreenslade@timberlinelodge.com) or call 503-622-0750.

**Gary Gunderson** organizes several teams every year. If you want to be on one of these teams, call Gary at: 503-258-8051.

## Oregon Cancer Ski-Out

**March 6 & 7, 2005.** The Oregon Cancer Ski Out (17th annual) was a success, with 28 teams participating in a 2-day fun recreational race at Meadows. The event raises money for OHSU and Willamette Falls Cancer Hospice. Teams consisted of 5 people. The winner was **not** the fastest team, but the most **consistent**. Team registration was \$850.

Our club has participated, as usual, and this year, one of our teams was the winning team. It was the "**Vertical Junkies**", with **Bob Lawrence**, **Bob Snelling**, and **Keith Appleman**.

Congratualtions on being the most consistent skiers!

## Anniversaries: 100 - 50 - 30

*by Janet Siverts-Smith*

In 2005, three local entities are celebrating milestones:

- 1) The **US Forest Service** is 100 yrs old;
- 2) **RLK management of Timberline Lodge** celebrates 50 yrs of operation; and
- 3) **The Friends of Timberline** have been serving the Lodge for 30 yrs.

All three are notable for their excellent involvement with the people who use their services. . . like skiers!!!

Timberline Lodge is having past employees come celebrate with them! Due to the sheer numbers of folks employed over the years, the festivities are divided into two blocks.

**May 20-21:** The first weekend will be staff from 1955 thru 1985.

**May 27-28:** The second weekend will be staff from 1986 thru 2005.

The events and dance are free to everyone, however, the reunion dinner is \$50 per person (inclusive) and by registration only.
