

PACRAT RACE 4 RESULTS: Ski Bowl - 3/19/06

Results Based on a Par Time of 27.14 seconds

What a great day and fun course. The big mover from race 4 was Infra Rats who scored 68 points and moved from 13th to 3rd. Pyscothermia and Rattitudes had big days as well that kept them in 1st and 2nd place, respectively. It will take a big day to catch either of those teams, but as Infra Rats showed, it can be done. Still a tight race to get into and move-up in the trophies with 4 teams within 16 points of each other between 3rd and 6th and 7 teams within 27 points of each other between 7th and 13th. Remember each racers' top 4 out of 5 best point scoring races count so there could be some additional scoring quirks at our last race. Scott Harman and Pam Loehner showed up to reclaim fastest man and woman of the day. Next race is at Meadows and then its on to the Rat Attack. If team captains could check with their teammates to get an idea of how many will show up to the rat attack (including guests) and let Jack know it would help us plan for that event. See you there.

Remaining Races/Events: Meadows - 4/2/06; Rat Attack - 4/7/06.
