

# PACRAT RACE 3 RESULTS: Timberline - 2/28/10

Results Based on a Par Time of 30.59 seconds

Another beautiful day for a race and we're past the half way point. With fewer turny gates than the last time we were there, lots of bonus points were scored for improving on your fastest handicap of the year. Its still very tight at the top with two teams just one point apart and six teams within 20 points of each other. Infrarats moved into 1<sup>st</sup> with 158 points with Rat Racers just a point back. Ruttin' Rats were the big movers this race, scoring 70 points and moving from 11<sup>th</sup> to a tie for 3<sup>rd</sup>. There's still a bunch of teams vying for position in the middle of the pack. There's still time to make a move, so make sure all your teammates make the last two races. As for individuals, Aaron Anderson maintained his fastest man status and Peter Dodd decided to don his race suit and came in with the second fastest time of the day. Violet Anderson was back and reclaimed top honors for the ladies. Our next scheduled race is at Meadows. We had a couple of interference issues this past race. The rule for interference is if you feel you have been interfered with you need to pull off the course and not go through the finish then stop by the finish shack (or find a board member) and request a rerun and give the reason (slippers didn't get out of the way on time, gate was down, etc.). If you cross the finish, we can't get you a rerun. I haven't heard any definites wanting to participate in the FWRA Championships at Mammoth April 9-11. If you want to participate, please contact Dale Parshall right away.

Remaining Races/Events: Meadows - 3/14/10; Meadows - 3/21/10; Rat Attack - 4/2/10. Race Results and other information are on-line at [www.pacrats.org](http://www.pacrats.org)
