

PACRAT RACE 4 RESULTS: Meadows - 3/14/10

Results Based on a Par Time of 20.59 seconds

Great weather and a fast course made for a quick race. And then a great after race party at the finish area! It will tough to beat, but we're up to the task with the last race scheduled for Middle Fork and the season ending champagne and snacks event. We had a few instances of slippers going through the finish. Please ski to the side and around the timing eyes when completing a slip so you don't trip the timing for racers in the course. It remains very tight at the top with eight teams within 30 points of the lead and the top two separated by 3 points. Ruttin' Rats claimed the lead (after starting in 14th after race 1) with Racy Brats hot on their tails. Then there's a bunch of teams vying for position in the middle of the pack. A big day could boost anyone to the top and remember that we score the top 4 of 5 races for everyone so there could be some interesting changes after the last race. As for individuals, Aaron Anderson maintained his fastest man status with yours truly regaining runner-up. And there's a new queen of the hill with Colleen Walter taking advantage of the "secret sauce" which vaulted her ahead of Holly Sarich. Our last race is at Meadows, then its on to the Rat Attack April 2 with a theme of "Old Hollywood". So get ready for the red carpet and paparazzi.

Remaining Races/Events: Meadows – 3/21/10; Rat Attack – 4/2/10. Race Results and other information are on-line at www.pacrats.org

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
