With the convenience of the condos, we can put together a progressive dinner for one or more nights for those interested.

We will be going to other ski resorts around the lake such as Kirkwood, Sierra at Tahoe, Diamond Peak, Homewood, Sugar Bowl, Alpine Meadows, Squaw Valley or Mt. Rose.

Mt. Rose sells tickets two for one on Tuesdays and is half price with a season pass from any other ski area.

An added bonus is that we can join Gordon's trip to Mammoth and the Far West Ski Championships. He is running a bus from Reno and would pick us up on April 3rd to drive us to Mammoth Lakes.

If you are arriving by plane, the Tahoe Express costs \$43.00 RT and leaves from the Reno airport every hour. It will drop you off at Harveys or the Lakeside and from there the shuttle from the Lakeland Village will pick you up. The website is: www.southtahoexpress.com . The phone number for the Lakeland Village condos is: 1800-822-5969. The Lakeland shuttle is very timely and would probably be there to meet you if you gave them a call ahead of time.
