The Keystone Cup

At the Keystone Nationals, there will be three days of racing, with competitions between Ski Councils from across the country in Slalom and Giant Slalom formats for great prizes and bragging rights. Help your Council win the 1st Annual Keystone Nationals Championship.

Keystone, Colorado

Keystone Resort is comprised of three incredible and unique mountains. Each mountain offers some of the best terrain Colorado has to offer: steeps, bowls, bumps, glades, rails, lights—you name it, Keystone has it. Or skate all day and all evening on the five-acre frozen surface that is Keystone Lake, the largest outdoor maintained ice rink in the country.

Soda Ridge Condominiums

These quiet, affordable units border the White River National Forest and are one of the best places in Keystone to feel close to nature. All units contain fireplaces for those cozy winter nights and are all walking distance to the outdoor heated pool and shuttle stop.
